DESCRIPTION

Drain Seal Cherry's unique formula is specifically designed to prevent mal-odor caused by dry drains and grease traps. When fumes escape from stagnant drains or grease traps, they become a very noticeable problem. Routine water flushing is time consuming and ineffective, that is why there is **Drain Seal Cherry**. **Drain Seal Cherry** is designed to float on top of stagnant water and grease to lock down the mal-odor they produce. Because **Drain Seal Cherry** is mineral oil based, it will not evaporate and will not mix with water and wash away. **Drain Seal Cherry** emits a pleasant cherry fragrance. All is well with **Drain Seal Cherry**.
