

Flo-Out

Product Information

1011137

DESCRIPTION

Flo-Out is a ready-to-use caustic drain/sewer opener. Its powerful formula is water activated to create an exothermic reaction which generates considerable heat and agitation. With its metallic prills, Flo-Out will dissolve grease, fats, paper, rags and other protein and carbohydrate matter, as well as disintegrate cellulose and small tree roots. An excellent preventative maintenance product that will save time, money and labor.

FEATURES /BENEFITS

- Fast-acting, odorless and convenient to use.
- Opens drains and sewers by dissolving liquefying and loosening clogs.
- Water Activated, it heats to nearly boiling temperatures to attack and break down the blockage.
- Safe to use on most all pipes

APPLICATIONS

Fats and Oils
Lint
Hair
Paper
Organic Matter

USE IN

Sewer Laterals
Sewer Mains
Drains

PHYSICAL CHARACTERISTICS

Appearance	White Powder
Odor	Odorless
pH	13.0 ± 0.5
Solubility in water	Complete
Chemical Stability	Stable
Melting Point	ND
Evaporation	0
Boiling Point	212°F

MARKETS

Schools	Hospitals
Hotels/Motels	Municipalities
Prisons	Public Restrooms
Health Clubs	Stadiums
Recreational Facilities	Casinos
Restaurants	Apartments
Food Service Establishments	

DIRECTIONS

Use as directed. Other may result in injury.

FOR SMALL DRAINS:

1. Remove drain strainer, if possible. Remove any standing water before using this product. Water in the drain should be cool.
2. Remove cap (see above instructions). Keep container away from face and exposed skin at all times. Carefully, pour 1 oz. (2 level tablespoons) of product into the drain and securely close container. If water should boil out of the drain, add a cup of COLD water. After 15 minutes, flush drain with COLD water. For better results, repeat application.

FOR FLOOR DRAINS: Follow same procedure above but increase dosage to 3 oz. and add 3 cups of COLD water.

FOR PREVENTATIVE MAINTENANCE: Use dosage as directed above periodically to keep drains running freely.

FOR PROFESSIONAL USE ONLY
