

Heavy Duty Pen & Lube

Product Information
1018100

DESCRIPTION

Heavy Duty Pen & Lube is an institutional strength penetrant, lubricant and rust inhibiting formula. No matter how rusted or immovable metal parts may be, this heavy-duty aerosol spray frees and lubricates corroded parts. The formula contains special ingredients with low surface tension that penetrate deep between rusted surfaces to quickly dissolve away corrosion and allow the parts to move freely.

PERFORMANCE BENEFITS

- Designed to penetrate and free rusted and corroded parts.
- Non-conducting up to 45,000 volts.
- Displaces moisture on electronic equipment.
- Retards corrosion.

Available in 20 Oz cans, 12 per case

USE ON

Linkages	Locks	Hinges
Wheels	Copper	Screws
Aluminum	Batteries	Automobiles
Ignition Systems		Machinery
Refrigeration	Rusted Bolts and Nuts	
And More!

Recreational Facilities	Hotels/Motels

DIRECTIONS

To free rusted and corroded parts:

Remove cap and point valve opening toward surface to be sprayed. Hold can 4-8 inches away, push button and spray. Apply generously to surface to be treated. Repeat application when needed.

To maintain or lubricate: Remove cap and point valve opening toward surface to be sprayed. Hold 4-8 inches away, push button and spray. Repeat application when needed.

FOR PROFESSIONAL USE ONLY
