**Hazard statement**

HARMFUL IF SWALLOWED. CAUSES SERIOUS EYE DAMAGE.  
CAUSES SKIN IRRITATION.

**Danger****Precautionary statement****Prevention**

Wear protective gloves/eye protection/face protection. Wash thoroughly after handling.  
Do not eat, drink or smoke when using this product.

**Response**

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. IF SWALLOWED: Call a poison center/doctor if you feel unwell. Rinse mouth. IF ON SKIN: Wash with plenty of water. Specific treatment (see this label). If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing.

**Storage**

Store away from incompatible materials.

**Disposal**

Dispose of contents/container in accordance with local/regional/national/international regulations. This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

**Supplemental information**

5.87% of the mixture consists of component(s) of unknown acute oral toxicity

InfoTrac 800-535-5053

**DIRECTIONS**

Place one Pan Med Jr. gelltab in the condensate drain pan and position so moisture drips on or runs over it, locking the gelltab into place and slowly releasing its chemical formula for a positive prolonged cleaning action.

**CAUTION: KEEP OUT OF THE REACH OF CHILDREN**

Non-Toxic when used properly. Not to be used in potable water. Harmful if swallowed. Avoid contact with eyes, skin and clothing. In case of contact, flush with water. For eyes, flush and get medical attention.

**NON WARRANTY**
