

Tuff Stuff in Gallons

Product Information
1427016

DESCRIPTION

TUFF STUFF is a product that is a highly concentrated foam designed for use on ovens, grills, deep fryers, smokehouses, meat curers and other food processing equipment. Its powerful surfactants and caustic cleaners soften and lift tough carbon deposits, grease, fats and oils.

FEATURES AND BENEFITS

- Removes heavily encrusted grease and carbon from ovens, grills and smokehouses.
- Produces a “super cling” foam that penetrates through baked-on grease and grime.
- Can be used on a variety of equipment.
