

# Cherry Lift

Product Information  
2162561

## DESCRIPTION

**Cherry Lift** is formulated to work within the design of the station platform by floating up and down with the rise and fall of the unit. The floating action dissolves grease and oil, softens solid waste and traps unpleasant odors. In addition, it reduces and contains foam, degreases station equipment, and lengthens the interval between major scrubbing of the inside of the station.

## FEATURES /BENEFITS

- Breaks down food smells and leaves behind a pleasant fragrance.
- Set up with a pump and you can let it do its thing without human contact.
- Dissolves grease and oil.
- Softens solid waste

## USE IN

Sewer Laterals  
Mechanical Rooms  
Kitchen Drains  
Drains that are not in use
