

# Ultimate Stone & Grout

Product Information  
2342441

## Description

**Ultimate Stone & Grout** is a concentrated heavy duty alkaline cleaner and restorer for deep cleaning of heavily soiled tile and grout. Safe for use on all polished surfaces.

**Ultimate Stone & Grout** is unmatched in it's ability to clean and restore stone and grout to it's original color. This non-acid formula is safe to use on natural stone and will not etch the surface of the stone. You should always use an Alkaline based product on stone and grout first to remove greases, oils and any sealers on the surface.

## FEATURES AND BENEFITS

- Non-Acid formula
- Restores tile and grout to original look

## DIRECTIONS

Protect all adjacent surfaces with masking film or plastic. Thoroughly wet area to be cleaned first.

1. To deep clean mix at 1 part cleaner to 10 parts water.
2. To remove wax and light sealers mix at 1 part cleaner to 8 parts water.
3. Let **Ultimate Stone & Grout** intensive cleaner act on the surface for a short time. Keep surface wet.
4. You may scrub heavily soiled areas with a hard bristle brush.
5. Rinse the floor with fresh water. Use a clean mop and pick up excess water with wet-vac or autoscruber.

*FOR PROFESSIONAL USE ONLY*
