

# Odor Beads

Product Information  
2176040

## DESCRIPTION

**Odor Beads** is simply the most effective odor eliminator on the market today. It is a proprietary blend of, deodorizing agents and odor modifiers which break down the molecular structures of odor-causing substances. **Odor Beads** remove odors caused by urine, vomit, feces, blood, mildew, decaying food, and other organic matter. **Odor Beads** contain a new cutting edge technology that actually modifies the molecular structure and neutralizes odors.

And More!

## DIRECTIONS

**Garbage Containers:** Sprinkle generously in the garbage container when empty (under the liner and in the liner), and layer as garbage is added. Repeat after each service and keep lid closed.

**Truck & Collection Carts:** Scatter into truck beds and hoppers when the container is empty. Repeat as needed.

**Outdoor Recreational Areas:** Sprinkle generously on ground and in ashtrays to control odors and repel pesky insects.
