

Tire Shine

Product Information

2094412

DESCRIPTION

Tire Shine is a premium silicone emulsion that protects all types of rubber tires against checking, dulling, fading, cracking, hardening, deterioration and aging.

Tire Shine is a water based formula that is easy to apply-no smudges or runs. It renews the original finish and restores the "like new" luster to rubber tires and whitewalls, and resists wash off to keep tires looking great longer.

Tire Shine is odorless, non-toxic, non-corrosive and contains no harsh solvents. Also shines, renews, and protects rubber and plastic bumpers, side moldings, mud flaps and air dams.

FEATURES AND BENEFITS

- Water based formula
- Great on all types of rubber
- Non-toxic
- Shines, renews and protects
